➢ Ensured 100 % KAIZEN participation from the team.

INTERNSHIPS

Organization	:	**Adore,India**
Title	:	Web and Software Development Trainee.
Duration	:	5 Months
Role	:	Carried out development,Mangement,Testing of a team Management Web Application, Made
.		Different kinds of modules in Web application which helped in making the system more user friendly and efficient

Organization	:	**The Sparks Foundation**
Title	:	Web development and Designing Intern
Duration	:	1 Month
Role	:	Carried study about the basic banking application and made one of the components of basic banking Application System.

Organization	:	**Awign**
Title	:	Panelist
Duration	:	2 months
Role	:	Researched about Contents and regular completion of allotted work.

INDUSTRIAL VISITS

➢ Lesso Workcon 's workshop in December'20
➢ Mishkat Agro Industriesi in January'21

ACADEMIC PROJECTS

Title	**Currency Converter Mobile Application.**
Period	Jan'21-Feb'21
Description	The project aimed at designing a Mobile Application for cross-platform support for Android and Ios Devices, Using React-Native exciting framework that enables web developers to create robust mobile applications using their existing JavaScript knowledge. It offers faster mobile development, and more efficient code sharing across iOS, Android, and the Web, without sacrificing the end user's experience or application quality. The App is used to convert the currencies from more then 20 currencies.

Title	**Social Responsibility Project on "Door to Door waste collection Management System"**
Period	Aug'20-Dec'20
Team Size	5
Description	In this project we researched and documented various Specifications and requirements related to door to door waste collection management ,how technology can play an important part in making the system more efficient ,we collaborated on an idea in which how our door to door waste collection can be possibly monitored.

WORKSHOP & TRAININGS ATTENDED

➢ Attended workshop on 'FLY-Scholar(Finding Leader in you)' organized by The Competitive Mindset Institute ,USA. It was 6 Days Workshop on Developing Concientiousness, Innovativeness, Initiative, Perseverance and Problem Solving .
➢ Have taken courses on Coursera about python ,Agile Software Development and Cloud computing basic.

TECHNICAL PROFICIENCY

➢ HTML&CSS ,C Programming ,DBMS, Java Programming ,React Native,PHP,JavaScript.

EXTRACURRICULAR ACTIVITIES

➢ Coordinated Campus Placement Drive , 2019.
➢ Participated in various Sports Events in Inter College Competitions and also in Intra-Campus Cultural Fest-2019-20
➢ Served as Captain for E-yantra competition during 2018
➢ Volunteered for
  - Training and Placement Cell Of Government Engineering College.
